
Multiple block days

Posted by Mike - 2009/02/04 04:35

Hi,

I am very interested in your product - we are a hospitality training College with several training restaurants for students. The restaurants are only open during term time and not every day - is it possible to block out weeks at a time rather than a day at a time?

regards

Mike

Hi Mike,

At this time blocking is only possible a day at a time.
